The Chelsea Farmers Market can provide a tent, electricity, and extension cables for entertainers and event coordinators. If amplification is needed, entertainers/ musicians will be required to bring their own equipment.

\*October 4 and 11: The market will most likely be held in the Chelsea Town Hall on these dates due to colder weather.

### Rainy Day Policy

- If the forecast in our area indicates a severe storm that seems very likely to hit us, i.e. hurricane, lightning, hail, etc., **we will cancel the market by 12 noon** on the day of the market. You will be notified via email or phone.
- If the forecast predicts a low but significant chance of a severe storm hitting our area and we have not canceled the market, you should skip the market if you feel that it would be unsafe for you to attend. **If this is the case, please notify us by 12 noon, on the day of the market.**
- In the event of a severe storm arriving while the market is happening, everyone will be asked to pack up early or move inside until the storm passes.
