### Chelsea Farmers Market Policies:

Full CFM rules and regulations may be viewed and downloaded from our website: [www.chelseafarmersmarket.org/sell](http://www.chelseafarmersmarket.org/sell)

### Vendor Space Policy

- Vendors are allocated a 10x10 space (unless otherwise permitted). We strongly recommend bringing a tent. All tents must be staked for safety. Please respect your vendor neighbors & the Common.
- We strongly encourage good signage such as painted signs, chalkboards, and clear product pricing.

### Attendance and Rainy-Day Policy

- Day vendors are expected to attend the full length of each market that they have signed up to attend, *rain or shine*, unless they have notified the market managers *at least 24 hours* ahead of time that they will not be able to attend due to a prior commitment.
- If the forecast is for a severe storm warning (i.e. hurricane, lightning, hail, etc.) in our area that seems very likely to hit us, *we will cancel the market by 12 noon* on the day of the market. You will be notified via email or phone. Note: to the best of our knowledge this has never happened 😊.
- If the forecast predicts a low but significant chance of a severe storm hitting our area and we have not cancelled the market, you are permitted to skip the market if you feel that it would be unsafe for you to attend, or that the risk to your merchandise is too great. *If this is the case, please notify us by 12 noon, on the day of the market.*
- In the event of a severe storm arriving while the market is happening, vendors may pack up early or move inside until the storm passes.
- Always stake your tent to the ground and secure any potentially dangerous materials from blowing away or falling.

**Your success and your safety are our primary concerns!**

Please don't hesitate to contact us with any questions, comments, or concerns regarding these policies or any other market issue. Here's to a great season!

**All products for sale at CFM must be grown, made, or produced in VERMONT**
