### Rainy-Day Policy

- If the forecast is for a severe storm warning (i.e. hurricane, lightning, hail, etc.) in our area that seems very likely to hit us, *we will cancel the market by 12 noon* on the day of the market. You will be notified via email or phone. (Note: to the best of our knowledge this has never happened).
- If the forecast predicts a low but significant chance of a severe storm hitting our area and we have not cancelled the market, you are permitted to skip the market if you feel that it would be unsafe for you to attend, or that the risk to your merchandise is too great. *If this is the case, please notify us by 12 noon, on the day of the market.*
- In the event of a severe storm arriving while the market is happening, vendors may pack up early or move inside until the storm passes.
